

MyCredit

Where Knowledge = Higher Credit Scores

 Credit Analysis and Education <p>Learn how to read and decode your credit report so that you can get an accurate picture of your financial history. You will then be able to compare your credit history to the current FICO scoring model and be able to determine where you have financial credit strengths and weaknesses.</p>	 Credit Optimization Plan <p>Our amazing system will help you develop a simple Credit Optimization Plan specifically designed to guide you to HIGHER Credit Scores! The Credit Optimization Plan gives you a complete picture of your credit profile and then recommends for you an easy to understand process on how to improve your credit scores.</p>	 Credit Tune-up <p>The easy to use on-line Credit Tune-Up software allows you to quickly and automatically generate your customized dispute letters to help insure that you will have a Credit Report that is 100% accurate. Through this process you will be able to take control of your credit and know exactly how to attain the highest credit score!</p>

Anyone Can Take 3 steps To A Higher Credit Score, Guaranteed!

What is MyCreditABC? We have created a consumer educational website which properly educates you about your credit reports, analyzes your personal credit, offers you with immediate solutions on how to increase your credit scores, and provides automated letter generation software to correct errors and request proper validation for inaccurate and derogatory credit items. For only \$99.95 you get a full 12 month subscription; where you can become better educated on credit reports, understand your credit report and increasing your credit scores. Our service comes with a 100% money back guarantee; use our complete system and if your credit scores do not increase, you get all your money back!

What is the MyCreditABC Affiliate Program? In our challenge to deliver this information to the 200 million Americans that need our service, we decided the best way to accomplish this was to involve networking professionals. We welcome you to become a part of our consumer advocacy crusade. Sign up as a MyCreditABC Affiliate for FREE and when you refer a client to the site you earn a 20% commission for the referral! Helping consumers with their credit and building a successful business as an affiliate, is as easy as learning your ABC's. You can also enroll new affiliates to do the same and receive over ride commissions. It's that easy. Oh and did I, mention, your affiliation with our program is FREE! (No Affiliate Sign Up Fee's). Our affiliates are provided with free training, site demos, webinars, round table discussions and marketing materials.

Did you know?

- Over 200 million Americans need the MyCreditABC system to help increase their credit scores
- There are NO sign up fees and NO monthly fees, it is absolutely FREE!
- You will earn override commissions on your affiliates, five levels deep.
- Easy to market affiliate compensation program with all training and materials provided.
